

Taste of Robotics

Children and Teens (ages 10-14) are invited to a week-long immersion in robotics! Learn to code, program, and create your own robot. Parents and the Public are welcome to view the completed projects on Friday June 14th!

When: June 10-14

Time: 10-12 pm

Who: Ages 10-14

Sign up today! Space is limited to 14 participants.
